Mike:

See below. I am copying Dick in case DEQ has some additional comments - they already have seen our draft last week.

Gunnar,

The attached comments for the BERA Exposure Modeling Technical Memorandum include input provided by Brian Sanchez and Sherry Skipper. They are ready to be sent over to Roux. Please let me know if you have any questions or concerns.

Thank you,  
Erin

Brian,

I have attached draft comments for the BERA Exposure Modeling Technical Memorandum for your review. Please let me know if it would be helpful to discuss these or if you have additional comments to add.

I am hoping to get the BERA Refined ESV Technical Memorandum comments to you this week, with the BHHRA interim deliverable comments to follow sometime next week.

Thank you,

Erin
